

THE RIGHT TO INFORMATION ACT - 2005

An Act to provide for setting out the practical regime of right to information for citizens to secure access to information under the control of public authorities , in order to promote to transparency and accountability in the working of every public authority, the constitution of a Central Information Commission and State Information Commissions and for matters connected therewith or incidental thereto.

WHEREAS the Constitution of India has established democratic Republic : - AND WHEREAS democracy requires an informed citizenry and transparency of information which are vital to its functioning and also contain corruption and to hold Government and their instrumentalities accountable to the governed; AND WHEREAS revelation of information in actual practise likely to conflict with other public interests including efficient operations of the Governments , optimum use of limited fiscal resources and the preservation of confidentiality of sensitive information. AND WHEREAS It is necessary to harmonise these conflicting interests while preserving the paramountcy of the democratic ideal; NOW THEREFORE it is expedient to provide for furnishing certain information to citizens who desire to have it.

To implement in Bihar State," THE BIHAR RIGHT TO INFORMATION RULES 2006" in state vide No. 8\Su, A. 15-02\2006-Ka-6161\Patna-15, Dated - 28.06.2006 has been enforced.

Various authority for discharge the work come under RIGHT TO INFORMATION ACT- 2005 is as follows for the WEIGHTS & MEASURES UNIT

Information Regarding Right To Information Act-2005 First Appellate Officer/ Public Information Officer/ Assistant Public Information Officer
